The program ended with a Publishing Party where students were able to present their stories to family and friends.

Education: Through these two programs, DTS PiE was able to raise \$4,380 in funding which supports programming for the students, teachers and parents of DTS. Participation in these two programs are two simple ways to support DTS PiE with shopping you already do - there is no additional cost to you!

Casino Night: Everyone had a blast at Casino Night! The games were so much fun, and the prizes were fantastic! We were especially pleased to see many new faces, and thank everyone who came and supported the mission of DTS PiE.

Volleyball Tournament: Back for a second year was a super Parent vs. Teachers Volleyball Tournament that benefitted two charities: Hope Loves Company, and DTAA. Kids didn't know who to root for - the parents or teachers!
